**Before You Post a Job**

Please make sure your company profile is complete and accurate.

Provide clear details about the internship or job to attract the right candidates.

Tips for a successful posting:

- Use a clear and descriptive job title (e.g. "Graphic Design Intern").
- Include key details such as role responsibilities, duration, and allowance.
- Mention skills or qualifications you're looking for.
- Ensure all information is truthful and up to date before publishing.
